

Global Café Information/Volunteer Application

What is the Global Café?

A fully functioning café located inside the church building located at 36th Street and Ash Drive.

What will the Café serve?

The café will serve a full line of espresso drinks, coffee, blended drinks and tea. We will also have a limited menu of baked items like scones, muffins, cookies etc.

How many people will the café seat?

The café will be able to seat 30 people comfortably café style with overflow areas located in other parts of the building.

What will the hours of the café be?

We will certainly be open for worship services on the weekend and for major activities at the church. In the future we hope to expand the hours of the café to have regular hours in the morning and be open for special events in the evenings.

How is the café funded?

100% of the money needed for the equipment, furniture, additional architectural fees, etc. have been paid for through the Marilyn Jansma memorial fund, and private donations. Money was not taken from the building fund, and or money pledged in our building campaign.

Will the drink and treats be sold for a discounted price?

No, and that is for a reason. All of the items sold will be price competitively with the coffee shops you will find around town, but 100% of the money made will go to support missions through The Ridge. With out rent to pay, and utilizing volunteers to staff the café means that a large % of your cup of coffee goes to supporting missions around the world.

If you are interested in joining the café team, fill out the information below and submit it by email or print it out and bring it to Kevin Jansma at the church office.
